

NOBLES
ENGINEERED BY TENNANT COMPANY

SCOUT™ 24

Compact, cord-free, battery-operated sweeper

- 
- Keep work environments clean with exceptional dust control filter
 - Go from hard floors to carpet easily – without stopping
 - Charge just about anywhere thanks to convenient on-board battery charger

Built to be **tough.**
Made to be **easy.**

Easy to maneuver push-forward design and cord-free operation.

What you need to get the job done right

- Simple-to-use controls
- 24 in / 610 mm cleaning path
- Clean virtually anywhere with whisper quiet 61 dBA operation
- Handy on-board battery charger (12 volt)
- Clean up to two hours – on just one charge!

Move from hard to soft floors – without stopping or tripping

- Designed to move easily from hard floor to carpet without stopping
- Automatic adjusting brush
- Cord-free operation for increased safety

Leaves virtually no dust behind

- Keep dust out of the air and in the machine
- Dust control filter traps particles down to 3 microns!

Engineered by Tennant Company, the Scout 24 sweeper is a reliable choice for your no-nonsense cleaning needs.
